CITY PIGGERY IS AGAIN SUGGESTED TO SOLVE PROBLEM

City Council Again Faces Problem of Caring For Garbage — Laws and Ordinance Committee to Meet to Remedy Crippled Laws.

A meeting of the Laws and Ordinance Committee of the City Council has been called for Wednesday evening and at that time the matter of repairing the crippled city garbage laws will be taken up. In fact, this is the purpose of the meeting and the committee hopes to be able to either bring in a new ordinance which will stand on the license question or to bring in a new law that will repeal all old ones and completely change the entire system of garbage collection and disposal.

Just how to handle the garbage question here satisfactorily to all of the residents is quite a problem but one that has been undertaken by the present council and one that they are anxious to solve before their term of office expires. As this is the last year for the present council they hope to have the system installed and in perfect working order before the end of the year.

Everyone is generally of the opinion that the present system has thus far been a decided failure. Where the system has failed is a question. Many are still of the opinion that the system is the best the city could adopt but that it has been unsuccessfully worked.

The Municipal Piggery has a great many warm advocates and there are many still of the opinion that the city should purchase a herd of hogs to be kept at the city's farm and employ official garbage collectors to gather the garbage and feed it to the city hogs. This plan will probably come up for general discussion at the meeting of the Laws and Ordinance Committee on Wednesday night and the question may come to the floor of council at the next regular monthly meeting of the City Fathers.

CITY STREET DEPARTMENT CLEANING ALLEYS

Street Commissioner Ben Smith and his force of assistants are using their extra time this week after they have hauled away the rubbish collected by citizens in the clean-up campaign, in cleaning all of the city's alleys in the various wards each day. Some of the alleys needed cleaning badly and this action on the part of the street department will help greatly in the clean-up campaign.

WILL MAKE UP FUND FOR BAND ANOTHER YEAR

People of Maysville Will Be Asked to Subscribe to Fund For Financing Maysville Boys' Band For Another Year.

Colonel J. Barbour Russell, manager of the Maysville Boys' Band, announced today that on Wednesday he and the other members of the managing committee would begin a canvass for subscriptions to finance the Maysville Boys' Band for another full year.

During the period just now closed the band has been financed by a number of local business men who have made liberal contributions which have been paid by the month and this system will be continued. The managing committee is composed of Messrs. J. Barbour Russell, A. L. Glascock, N. S. Calhoun, Frank Hendrickson and Prof. W. J. Caplinger. They will accept subscriptions from \$100 down and will again accept the monthly subscriptions which have proven so very successful during the life of the band.

The Maysville Boys' Band is one of the best organizations in the city. It is by far the most successful musical organization in the city since the days of the old Maysville Band and it should have the hearty support of the business and professional men of the city.

FAYETTE WILL TAKE TAX FIGHT TO U. S. COURT

No answer having been received to the protest of the Fayette County Board of Supervisors to the State Tax Commission over the proposed increase of Fayette county assessments, attorneys have been engaged and are marking a study of the issue, it was announced at Lexington preparatory to a fight in the Federal Court.

Since the work of taking the assessment or the current year begins July 1, it is believed by county authorities that there is not sufficient time remaining for a special assessment. Therefore, if the increase is to be effected, it will have to be done through a blanket raise. Members of the local board and county officials believe grave injustice would be done by such a move.

WHY NOT PLAYGROUNDS?

January park in the East end of the city is again this summer no more than an unsightly vacant lot. This property was deeded to the city of Maysville as a public park. Why can't the city or some of our organizations turn this park into a public playgrounds for the poorer children of the city. Maysville needs a public playground as bad as any city in the country.

BILL INTRODUCED IN CONGRESS TO IMPROVE MAYSVILLE HARBOR

Congressman Fields Introduces Bill In Lower House of Congress Monday For the Improvement of Local Ohio River Harbor — Senators Will Help.

Congressman William J. Fields, of Olive Hill, introduced his first bill in the present Congress Monday afternoon for the improvement of two river harbors within his district—the Ninth Congressional district.

The bill appropriates a sum of money for the construction of ice piers at Louisa in the Big Sandy river and for the "repair, improvement and construction of ice piers in the harbor at Maysville, on the Ohio river." This is practically the same measure which Congressman Fields introduced at the last session of Congress but which went by default because of the many calls for finances because of the World War.

Mr. Fields in correspondence with Maysville people recently regard to this measure was quite certain that he would be able to get favorable committed action on the measure at an early date and get the appropriation in a very short time.

It will be remembered that this matter was taken up with the Congressman from this district shortly after the big ice break up of more than a year ago. At that time the Maysville harbor proved its worth many times over in saving thousands of dollars worth of craft for the government and this argument will be used in support of the measure.

The original bill provides for an appropriation of \$75,000 for the Maysville harbor and government engineers have recommended the use of this sum in raising the three piers now in the local harbor about ten feet higher than at present and for the construction of two more piers some distance upriver from the present three and it was proposed that one of the new piers should be nearer the shore than the inside pier at present.

When it was suggested that the government should improve the local harbor, the Maysville Chamber of Commerce and those interested asked former Congressman James N. Kehoe, who was responsible for the first piers being built here, to act as a committee of one in an endeavor to get the government's appropriation for the proposed improvement and he has been very busy ever since in the endeavor. Those who are in a position to know, believe that there will be little trouble in passing the measure this time and that we can feel certain that the Maysville harbor will soon be one of the best on the Ohio river between Pittsburgh and Cairo.

Senator Backham has on various occasions in communications with the local Chamber of Commerce assured them that he was heartily in favor of all Ohio river improvement and especially that section which touched his own state and he can be counted on to support the measure in the Senate while it is known that Senator Stanley will lend his very hearty support to the measure at all times.

MAYSVILLE METHODISTS PLEASED WITH CENTENARY

The members of the Maysville Methodist churches are very much pleased with the success of the Centenary drive in this city. All of the churches have reached their quotas and the oversubscription has been quite liberal. The Third Street M. E. Church's drive included all church expenses for the five year period and has proven a splendid way of handling church finances.

CYNTHIANA TO BUILD MEMORIAL HOSPITAL

At a great mass meeting held at Cynthiana Sunday when Col. Samuel Wilson, of Lexington, delivered the chief address, subscriptions were started for a \$100,000 fund with which to build a hospital as a Memorial to the Harrison county boys who gave their lives in the world war. Maysville's committee has not reported yet.

BANK CONTRACT LET

The contract for the erection of the Bank of Maysville's new building was let this afternoon. Messrs. Harding & Simons of this city, were awarded the contract.

Mr. Russell Stewart, aged 42, and Bertha Stewart, aged 30, both of Manchester, Ohio, were married at the County Clerk's office this morning by County Judge H. P. Purnell. Both parties had been married before.

WILL DRIVE HOME NEW AUTOMOBILE

Mr. William Weis, Market street meat merchant, went to Cincinnati this morning and will drive home a new Hudson automobile recently purchased there.

Come on you duck hunters. Shoot.

MAYSICK GETS MASON SUNDAY SCHOOL CONVENTION

Arrangements To Be Made To Carry Maysville People Out On Convention Day.

County Sunday School President C. S. Dale announces the county convention to be held in the Christian church Mayslick, Tuesday, June 17th. The tentative program as outlined by Prof.

Dale is one of the best ever presented to a Sunday School Convention in Mason county. In addition to the best talents from our own county, State Worker Vaughn will be present and give one or two addresses on live themes related to the progress of the Sunday School. Mr. Vaughn is one of the most popular of the state force. He is always welcome in Mason county, and he never fails to give a live-up-to-date message. Every Sunday School in the county should elect one or more delegates and see that they attend this convention.

It has been suggested that all take a lunch with them and at the noon hour all spread their lunches on one of the beautiful lawns together, thus making it a pleasant social affair, as well as profitable in other ways.

Prof. Dale says that arrangements will be made to take all from Maysville who will attend. It would be a good plan for each school to notify the president how many will go from their school.

Let's make it a real Victory Convention.

COMMITTEE TAKES NO ACTION ON NEW CONTRACT

The meeting of the Light Committee of City Council held at the city committee room Monday evening was a very interesting one at which the proposed new light and gas contract was generally discussed but no action was taken because of the absence of the Mayor.

Another full meeting will be held later in the week when it is expected the committee will recommend the adoption of the contract by Council as a whole.

NOTICE

Any one having any note or claim against the estate of Mrs. Fannie A. Hays, deceased, is requested to present the same to the undersigned Executor, duly authenticated, for payment. Any one indebted to said estate, is requested to call and pay.

J. F. BARBOUR.

KINNEY MACK HAS NEW TIRES

The fire fighting machine Kinney Mack has been delivered to the fire station today after having had new wheels and new tires installed. The new tires are smaller than the old ones being standard size and in the future the standards will be much easier obtained.

IMPROVING STORE BUILDING

Mr. Oliver Greenlee is making extensive improvements in his store building at the corner of West Second street and Wall street. A new door way is being cut on the Second street side of the building and it is being otherwise improved.

BOOSTING GOOD ROADS

County Commissioners, Secretary Carl Dodds, of the Chamber of Commerce, and County Agent George Kirk were in various parts of the county today boosting for good roads and the 20 cent road tax which will be voted on June 4th.

FOR SALE

The agency of the Cincinnati Post in the downtown district is for sale. Too busy to give it proper attention.

27-31 HARRY TAYLOR.

All union barbershops will close at noon Friday—Decoration Day.

Come to town and call on Mort.

MEMORIAL PLANS GO FORWARD; HEROES OF 3 WARS HONORED

Next Friday Promises to Be Big Day In Maysville—Large Crowd of People Expected Here For the Day.

Next Friday—Memorial Day—promises to be a day long to be remembered in Maysville. The Mason County Soldiers and Sailors Association is making extensive preparations for the day and a program that has not been equalled in many years is arranged.

Besides the chief address of the day by Lieut. Colonel Sam Wilson, of Lexington, Circuit Judge C. D. Newell and other local men will be on the program and some of the returned soldiers from France will be asked to tell something of their experiences.

The memorial services will be for the soldiers of three wars—The war between the states, the Spanish-American War and the World War and all soldiers of all three conflicts are urged to attend and attend in their uniforms if possible. The decorating committee has already decided upon a very attractive decoration scheme and work will probably begin on Wednesday.

A concert by the Maysville Boys' Band will be a big feature of the program and some very attractive vocal music is promised as well. Every one should make arrangements to spend Decoration Day in Maysville this year. The exercises at Beechwood Park will begin at 2 o'clock and all merchants will be asked to close their stores from 1 until 4 o'clock to assist in making the day a general holiday in Maysville.

HOW MANY BIRDS, OR DUCKS CAN YOU bag out of 16 shots?

PLAN TO TAKE BOYS' BAND ON BIG TRIP

Local Knights Templar have started a plan to take the Maysville Boys' Band with them to Lexington at the next State Conclave. There is no doubt but that the Boys' Band will make a good showing in the big Knights parade and they will let the world know that Maysville is still in Kentucky. Here's hoping they make as big hit as the old Maysville band made at the National Conclave years ago.

The Teachers Training Class will meet this evening at the usual hour at the Christian church. The fifth and sixth lessons will be studied. All interested are urged to attend.

HOME BUILDING AND REALTY CO. ORGANIZED

New Concern Organized to Build Homes and Deal in Real Estate—Articles of Incorporation Are Filed.

Articles of incorporation of the Home Building and Realty Company, of this city, were filed with County Clerk James Owens this afternoon and a copy was forwarded to the Secretary of State for issuance of charter.

The incorporators are Messrs. J. C. Everett, Mike Brown, J. B. Durrett and Sherman Arn. The capital stock is \$10,000 divided into 100 shares of \$100 each and the purpose of the corporation as set out in the articles is to buy and develop real estate urban or rural, the erection of buildings, renting, managing and selling of realty improved or unimproved.

The business of the new corporation is to be conducted by a board of directors and until the regular election the board shall consist of all the incorporators above named and the officers shall be: President, J. C. Everett; Vice President, Mike Brown; Treasurer, J. B. Durrett, and Secretary, Sherman Arn.

The highest amount of indebtedness the corporation can at any one time incur is fixed as \$50,000.

Shoot a full gun. Great sport.

MRS. MATILDA FROST DIED AT FAIRFIELD

Mrs. John Otto of Springdale, has recently returned from Falmouth, Ky., where she was called to attend the funeral of her sister, Mrs. Matilda Frost, who departed this life May the 23rd, at the advanced age of seventy-five years. Mrs. Frost leaves to mourn her loss three children, two sons who reside at Falmouth, and one daughter whose home is in Shelbyville, Ind. She also leaves seven grandchildren, and three great grandchildren. Mrs. Frost was a daughter of the late Frederick Hotze, was born and raised in Mason county, and there are still a few of her old friends left, who remember her as a schoolmate of their childhood days, and who will ever cherish her memory for her generous kindness and warm hearted friendship.

The stone front of the old Bank of Maysville building is now down and the entire building razed. This work was done in very short order considering the very bad weather the workmen were compelled to work through. The stone in the front of the building was very carefully handled and is in splendid condition.

Mrs. Jennie V. Lytle, of Paris, is the guest of Mrs. I. N. Foster, of East Third street.

NAVY PLANE JUMPS OFF FOR LISBON, PORTUGAL

American Plane Gets Away on Last Leg of Its Trans-Atlantic Journey—Making Good Time.

Washington, May 27.—Commander A. C. Reed, and crew, in the navy seaplane NC-4, left Ponta Delgada at 6:18 a.m., Washington time, today on its 800-mile flight to Lisbon, the Navy Department announced today.

Ponta Delgada, Azores, May 27.—The American Navy-Curtiss seaplane NC-4, which has been in harbor here for more than a week awaiting favorable weather for continuation of its trans-Atlantic flight, took off the air, bound for Lisbon, Portugal, at 10:20 a.m., Greenwich time, today.

Lieutenant Commander Albert C. Read, with his original crew, was in the great plane's cockpit when she began the final leg of her flight to the European mainland.

A great cheer went up from the crowds on shore when the NC-4 taxied to the jump-off and left the water.

Guns boomed on the shore and bells rang in the little Portuguese town.

Weather conditions were excellent.

The sky was cloud-flecked, and a favorable breeze prevailed.

Reports from destroyers stationed between Ponta Delgada and Lisbon indicated perfect weather conditions all along the route.

The start was made after Read and his crew had overhauled the engine carefully for more than an hour.

The NC-4 headed eastward at once, and had passed from sight four minutes later.

She passed the first destroyer station east of Ponta Delgada at 11:13 a.m.

From that point Commander Read sent a radio to Admiral Jackson at this port thanking him for his hospitality to the American fliers.

Three shots, no ducks. Pay the man.

The stone front of the old Bank of Maysville building is now down and the entire building razed. This work was done in very short order considering the very bad weather the workmen were compelled to work through. The stone in the front of the building was very carefully handled and is in splendid condition.

OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

ONE GERMAN WHO UNDERSTANDS

Maximilian Harden is the one German who appears to have had a clear conception of his country's position from the beginning of the world war. He has had the courage to point out to his own countrymen the responsibilities of the old regime, the blunders the German leaders committed and to endeavor to give to Germany itself some idea of the estimate in which it has been held by the remainder of the world. His task was a thankless one, but events have been shown that he was the one German prophet.

It is not surprising therefore that his view of the peace terms submitted at Versailles should be very different from that of the great mass of the German press and the German people. Understanding the situation, having an accurate view of the estimable in which Germany is held, having a correct idea of public opinion in the countries allied and associated against Germany, he finds the terms as he had expected them to be. His observations support the already well established belief that the German revolution was camouflage staged to deceive the world and designed to be the best possible means for saving something from the wreck.

But as Harden points out, the government's proclamations and speeches have only been bad copies of the Kaiser's time and the camouflage has not been sufficiently clever to conceal the hands of the old Junker class as the power behind the scene. With Hindenburg and Bernstorff practically the rulers of Germany there has been no real change. The mental attitude displayed by the Germans since signing the armistice and the arrogance and insolence at the congress of Versailles has made it impossible for the Allies to make any material modification of their terms. Indeed, their terms are milder than Germany had any right to expect. The one criticism of them from the remainder of the world is that they are too moderate.

SALVATION ARMY VALIANT IN WAR

Having Served Gloriously in the Trenches, Is Coming Back From Overseas for Peace Time Activities.

ASKS HOME SERVICE FUND.

National Campaign to Replenish Resources Depicted by Long and Direct Contact Services With Our Boys Scheduled for May 19-26.

New York (Special)—Like the 2,000,000 American boys whom it served so gloriously in the trenches of France, the Salvation Army is coming back from overseas, ready to put aside its khaki uniform of war service, don again the "Civiles" and embark once more on its normal peace time activities.

And, just like those doughboys, the Salvation Army has come out of the war victorious and with citations for bravery, decorations for gallantry under fire and golden chevrons indicative of honorably won wounds on its arm. The victory which the Salvation Army has won is a victory over the obstacles that lay before it in its purpose of efficient service of the fighters of Pershing's army. Its citations are the thanks, cheers and prayers of 2,000,000 doughboys. Its wound stripes are rightfully golden of hue, for they typify the unselfish way in which the Army threw all its resources—financial, spiritual and moral—into the effort to help the American soldiers in France.

Now the Army is asking the people of America to give it concrete evidence of the gratitude which has been so loudly, and so willingly expressed. From May 19 to 26 the Salvation Army will conduct in the United States a

"I SUFFERED SEVEN YEARS"

Was Eventually Cured by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I suffered for seven long years with a lame back, irregularities and pain. I had one physician after another but they did me no good. I read about Lydia E. Pinkham's Vegetable Compound and gave it a trial and in a short time I felt benefited and am now feeling fine, and without weakness or pain. Many of my friends have also taken Lydia E. Pinkham's Vegetable Compound and been helped by it."—Mrs. MARGARET NESS, 1846 E. Hazzard St., Philadelphia, Pa.

Women who suffer from displacements, irregularities, inflammation, ulceration, backache, sideache, headaches or "the blues" should not rest until they have given this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. If complications exist, write Lydia E. Pinkham Medicin' Co., Lynn, Mass., for special suggestions. The result of its long experience is at your service.

Social Events

RECEPTION OF SATURDAY

A most beautiful reception was that given to Miss Carroll Matthews, a June bride to be by Miss Susan Thompson and Miss Elexene Russell at the latter's residence East Third street Saturday between the hours of 2 and 5 o'clock. There were no formal lines of social laws observed.

As the guests arrived and the cordial spirit spread; the first short while was spent in joyful accord; felicitations and that "sweet fellowship" which are the wings of time when pleasure holds the reins to guide the day. There were three unique acts to be observed in this drama of "love." The guests (about thirty-five) were seated at convenient tables where each found material to dress a clothes pin according to the mode and fashion of a "swell" 20th century wedding party; the varied lines, the hobble skirt and form tight skirt, the flounced and puffed and plied waists, the hats and ribbons; furs and flowers gave a wonderful chance to "myleadies fingers" for nimble work, quick results; for soon the bride and groom and Priest of Church; the maid and acolytes, ushers all, with honored man and parents giving, stood complete in miniature group to simulate the wedding. While Mr. Charley Johnson proved a splendid Marshal of the day. The march from the Odd Fellows hall to the church was led by a company of soldier boys under command of Sergeant Pearl Ward, followed by Household of Ruth No. 374 and Maysville Star Lodge No. 1948. Many visitors were here from Crown Lodge and Jewel Household of Ripley Ohio. After the exercises at the church they repaired to their hall on Sutton street where ice cream was served. It was another page in Odd Fellows history of this city.

The amount of the fund has been determined exactly and logically by means of budgets prepared locally by workers of the Salvation Army in all parts of the United States. Already headquarters for the campaign have been established in New York City. A ready response in encouragement and cheering wishes for success has been heard from all parts of the country. Men and women prominent in all walks of life have volunteered their services as active participants in the drive. The Army's 2,000,000 loyal roosters—the boys who went overseas in khaki—are all lined up ready to help. The Army not only helped them over there, but it found jobs for many of them after they had been mustered out of service, helped them get the civilian clothing that was necessary if they wanted to take those jobs, fed many of them, gave them shelter and furnished them with transportation to their homes.

For the war service of the Salvation Army is still under way. Its workers are still, many of them, in France, and its huts, clubhouses and hotels for the reception of the boys returning from abroad are in full swing here.

Neither, the Salvation Army asserts, will its war work be abandoned until the last boy is out of the khaki of the army or the blue of the navy. The larger activities which necessitated the coming campaign will exist and be financed independently of the service of the fighters from abroad.

PATRIOTIC SPECTACLE
IN CIRCUS OPENING

Arrangements Made for the Appearance of Gentry Brothers Famous Shows on Infirmary Grounds.

Gentry Brothers Famous Shows and Wild Animal Circus will exhibit in Maysville on Wednesday, June 4, are presenting a patriotic spectacle as the opening number of this year's all new performance. Nearly 100 of the ponies take part in the picture which represents the allied nations. At a command from the trainer they march in different directions, each one bedecked with flags of the nation they represent and the entire moving panorama of horses forms one of the most stirring events in the program. This spectacle is the result of the training efforts of the past year and is pronounced the biggest and best animal display ever seen. Many new acts and features have been added to Gentry Brothers Shows this year including a complete wild animal circus.

Arrangements are now completed for the show grounds. This was quite a problem to the managers of the show until they ran upon a large flat field at the County Infirmary grounds. Being close to the car tracks this show place will be very handy.

MAYSVILLE, Wed. June 4

OUR COLORED CITIZENS

The Maysville Star Lodge and Household of Ruth of the Grand United Order of Odd Fellows, held their Thanksgiving services at the Scott M. E. Church Sunday. It was one of the most successful affairs yet held. Rev. J. L. Franklin delivered the sermon. Mrs. Florence Jackson read a beautiful paper on "Odd Fellows Home" which was a literary gem. Miss B. Jackson's solo was fully up to the expectation of the large audience, and Rev. Franklin was truly at himself which pleased his hearers. Mr. Robert Sykes presided with dignity, while Mr. Charley Johnson proved a splendid Marshal of the day. The march from the Odd Fellows hall to the church was led by a company of soldier boys under command of Sergeant Pearl Ward, followed by Household of Ruth No. 374 and Maysville Star Lodge No. 1948. Many visitors were here from Crown Lodge and Jewel Household of Ripley Ohio. After the exercises at the church they repaired to their hall on Sutton street where ice cream was served. Uncle Sam Sets a Good Example

VIEW OF U. S. CAPITOL DURING PAINTING.

The dome of the United States Capitol at Washington is kept in excellent condition by painting it every few years. For this work forty painters are steadily employed for three months' time. Over five thousand gallons of paint are required for one coat. The reason for painting the Capitol dome at regular intervals is to prevent disintegration of metallic surface.

KENTUCKIAN IS HONORED AT EDUCATIONAL MEET

National Educational Association Selects Mother of Moonlight Schools On Main Program.

Milwaukee, Wis.—The State of Kentucky has been given signal recognition in the plans for America's greatest educational convention by the selection of Mrs. Cora Wilson Stewart, as one of the speakers at the main session of the National Education Association Convention to be held in Milwaukee June 28 to July 5.

It will be an epoch-making convention because its great problem is the rebuilding of the world by the war and the part of education in this great task. On the other hand, it will be a convention for the average teacher and nearly half of the attendance will be of women teachers from the grade schools of the cities and from the rural schools. The Hotel Plankinton has been selected as the headquarters for the Kentucky delegation.

Catarrhal Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is to remove the cause. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When you have an inflamed ear you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. This tube must be restored to its normal condition, hearing will be destroyed forever. Many cases of catarrhal deafness can be cured by the use of Hall's Catarrh Medicine acts through the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness, caused by Hall's Catarrh Medicine. Circulars free. All Druggists, etc. F. J. CHENEY & CO., Toledo, O.

The development of the democracy is to be the keynote of the entire convention, however, as it applies to the public schools and this will be discussed by both the average teacher and some of the world's greatest educators. It is even hoped that President Wilson will be able to be here to speak on the League of Nations. Word from the White House is that he will come if he can.

Rev. Oscar James of Goddard, who together with Rev. T. V. Wood of Tilmon, preached at Bowman Springs the first Sunday in this month has been stricken with paralysis and there is little hope of his recovery.

OUR LETTER BOX

Correspondents will please give facts as briefly as possible. When anything of great importance occurs see the Telegraph or the Telephone at our expense.

Foxport

Aunt Sophia Carpenter is still very poorly.

Rolly Conrad, wife and baby of Sutton spent last Sunday with Mrs. Conrad's parents, Allen Lightner and wife.

Born last Sunday to Edison Gilkerson and wife a bouncing big daughter. C. A. Jordan was in Maysville last Monday on business.

Otis Lightner and little son, LeLacie of Tollesboro, spent Saturday and Sunday with his parents, Allen Lightner and wife here.

Riley Lightner came home last Saturday with an honorable discharge. Riley had been in France for a year.

Uncle Billie Martin one day last week while out burning brush caught fire and would have burned up had it not been for Willie Gilkerson, a neighbor boy who happened along in time to put out the flames before any damage was done.

Mrs. Miley Ann Conrad is very sick at this writing.

Van Carpenter has come home with an honorable discharge from the army.

Born last week to Will Ham and wife a daughter.

Born to Will Stamm and wife a baby which only lived a few days.

Rev. Carver of Garrison preached several sermons at the Christian Church here last week.

Leslie Doyle of this place but recently at Miami, Fla., has gone to Milwaukee, Wis., to resume his old trade.

The roads at this place are almost impassable.

Mrs. Will Jones and granddaughter, Miss Alpha Thompson, were called to Ewing by the death of Mrs. Jones' sister-in-law, Mrs. Jasper Spradling.

Fred Stamm, who has been in the Ambulance Corps in Italy during the war, has returned back home.

Hiram and James Stamper of Orangeburg came up to see their father, Will Stamper, who has been very ill the past few weeks.

Cecil Million who has been drill master in the U. S. Army, for several years in Alaska, is at home visiting home folks.

Word has been received here that Hiram Humphries had passed away at the home of his cousin, George Calvert at Enterprise, Ky. Hiram for several years has been a traveling oculist and was known in almost every state in the Union. He often visited at this place and all the neighbors were glad to see him for he was always jolly and a good fiddler.

The people of this place was greatly shocked when word was received here of the death of A. E. Carns of Pine Valley, who was running a sawmill in Illinois, had been killed by the explosion of an oil can when he was trying to build a fire. His remains were brought to Tollesboro for interment. He leaves a wife and several children to whom we extend our heartfelt sympathy. Mr. Carns was the pastor of the Christian Church here for a number of years where he endeared himself to the people by his winning personality.

Born recently to Lott Bramel and wife a five pound daughter, who only lived a few days.

One Florence and family of Orangeburg came up Saturday to visit relatives at this place.

Lovell Harrison, a prominent young farmer of Ribolt, and Miss Alma Jordan, one of Fleming county's most popular young ladies drove to Flemingsburg one day last week and were united in marriage by Rev. Spates. Congratulations.

794,210 LIFE POLICIES
IN FORCE IN KENTUCKY
Frankfort, Ky., May 26.—The forty eighth annual life insurance report issued by C. F. Thomas, insurance commissioner, shows that the fifty-three legal reserve companies of other states doing business in Kentucky had in force in this state 794,210 policies, insuring for \$338,463,472.86.

During the year covered by the report there ceased to be in force 122,364 policies, insuring \$38,469,817, leaving in force 840,844 policies insuring \$364,548,464.27. The companies issued during the year 169,498 policies, insuring \$64,554,305.64. Premiums received by the fifty-three companies

Kentucky business amounted to \$11,452,978.20; the losses and claims were \$4,463,799.74. The taxes paid by them to the state of Kentucky on the premiums received were \$237,197.16.

Points in the Moline's Favor

There are many points in the MOLINE'S favor when the question of what Farm Tractor to buy comes up. To put them all in print would make a long, long story—but to make a long story short—

POINT 1—The MOLINE is the ONLY tractor with electric lights and self-starter. You don't have to quit important plowing or other work just because the sun goes down. Just turn on the lights and keep right on. The MOLINE will work 24 hours a day for you. Never mind the weather. If it rains on Monday, you can do 2 days' work on Tuesday to make up for it.

POINT 2—The MOLINE is the ONLY tractor that cultivates the seed in the soil.

POINT 3—The MOLINE is the ONLY tractor that reverses and goes around a stump or rock. You drive the MOLINE same as an automobile. Drive backward as well as forward.

POINT 4—The MOLINE is the ONLY tractor that cultivates two rows at a time.

POINT 5—The MOLINE is the ONLY tractor that can be turned around in a 16-foot circle and can be put in a small-sized shed.

POINT 6—The MOLINE is the ONLY tractor that has a device to lock the differential and give perfect traction in soft ground.

POINT 7—The MOLINE is the ONLY tractor that will start and finish a field without a horse.

There are SEVEN points—"one for every day in the week." For more "points" or a demonstration, phone, see or write

GEO. H. FRANK & CO.
Maysville's Foremost Clothiers.STANLEY'S FIRST BILL
ON FEDERAL COURT

Washington, May 27.—A bill providing for semi-annual sessions of the United States Federal Court, eastern district, to be held in Lexington, introduced by Senator Stanley Monday, was the new Kentucky senator's first attempt to secure legislation in the Upper House.

The importance of holding court in a city capable of offering sufficient accommodations for witnesses and litigants is cited in the bill as reason for its enactment.

Kentucky members of the new Congress have not been very active in the introduction of bills. Until today neither senator had introduced a bill, while very few had been put in by members of the House.

KENTUCKY INVESTED
\$26,687,100 IN LOAN

Official figures sent to Washington by the War Loan organization of the Eighth Federal Reserve district show that Kentucky subscribed \$26,687,100 of bonds in the Fifth Victory Loan, according to a telegram received from St. Louis headquarters by James C. Willson, Western Kentucky vice chairman. He said that some increase probably would be shown in final figures.

**CLEAN-UP IN SECOND
WARD IS SUCCESSFUL**City's Carts Haul Much Rubbish to
City Dump During Day—Third
Ward to Be Cleaned Up
Tomorrow.

The clean-up campaign in the Second ward was quite a success today and the city's carts and wagons hauled many loads of rubbish collected from in front of the homes to the city dump on Bridge street. When the campaign is over this week the city's bridge street property will have grown in size many feet.

All during the day there have been five "rake pickers" at the dump going carefully over all of the rubbish deposited there and taking out everything that can be sold at the junk dealers. They have gathered up quite a large wagon load of old iron, rubber, etc., which is merchandise to them.

Wednesday the city vehicles will make the Third ward of the city only and every one in that ward is urged to have all of their rubbish gathered up and placed in a pile in front of their homes. The wagons will be along some time during the day. The exact time cannot be given but some time between sun-up and sun-down.

**PAVING COMMITTEE WILL
HOLD MEETING TONIGHT**

The special committee of council appointed to confer with the Maysville Street Railroad officials on the matter of paving between the street car tracks will hold a special committee meeting this evening when the specifications will be laid before them and important matters will come up for discussion.

**COLORED MASONS PLAN
FOR STATE CONVENTION**

The colored Masons of Maysville and Mason county are planning to entertain the state convention of that order in this city this summer. Extensive plans are underway for their entertainment while in the city. The members of the local order plan to give them such an entertainment that they will not again soon forget Maysville.

Mrs. Frank Breeze, of the Sixth Ward, was bit by a dog Monday evening near her home and shortly thereafter the animal was killed by Policeman Wells.

**MUSIC RECITAL BY

PARK IN KENTUCKY URGED

Washington, May 27.—Congressman Robert Y. Thomas, of Kentucky, introduced a bill Monday to establish a Mammoth Cave National Park. The measure proposes that the Government shall buy 1,700 acres of land in Edmonson county, Ky., including the cave and surroundings, and appropriate \$1,000,000 to carry out the purposes of the act.

CHESTNUT BLIGHT FEARED

Frankfort, Ky., May 27.—Commissioner of Agriculture Cohen yesterday issued an appeal to each citizen in Kentucky to use every effort to keep the chestnut blight out of this state.

CONSTIPATIONAnd Sour Stomach Caused This
Lady Much Suffering. Black-
Draught Relieved.

Meadows, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would grip me and afterwards it seemed I was more constipated than before. I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape."

I cannot say too much for Black-
Draught for it is the finest laxative
one can use."Theford's Black-Draught has for
many years been found of great value
in the treatment of stomach, liver and
bowel troubles. Easy to take, gentle
and reliable in its action, leaving no
bad after-effects. It has won the praise
of thousands of people who have used**VICTORY LOAN HAS
